

Says

Thinks

Government
should regulate
commodity
pricess

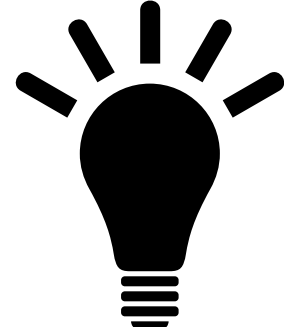

Government
should provide
improval seeds

Which will be the
reason for India's
Agricultural Crop
Production?

Is
Diversification
profitable

Need more
extension workers

Government
Should provide
cheap credit

India's Crop Production

Collecting the
data's required

Average
estimation of
crop rotation

Estimating
India's Crop
production

Comparing the
crop
production
between the
states

Weeding using
rudimentary
tools

Provoking the
steps used for
development of
crop
production
